

Dear Austrian Music Export Friends!

First and foremost - a happy new year to you all!
We hope you had a wonderful fresh start and we look forward to working with you in this promising new year!

Our clock here in Austria has been ticking very fast in preparation for our Focus on Austria at the Eurosonic Noorderslag in Groningen, Netherlands. Only two more days are left until the festival kicks off this Wednesday the 15th, which keeps us counting down the hours and feeling very excited and honored to show the international music industry what Austria has to offer.

With the spotlight on 18 confirmed Austrian acts, a European Border Breakers Award 2014 winner, several panel features, a film screening and an opulent delegate reception at this year's Eurosonic Noorderslag festival & conference, we really hope to utilize this unique opportunity to present the full range of Austrian music talents and the country's stylistic versatility. Be sure to join us at as many Austrian concerts as possible and celebrate this special occasion with us at our reception with the chance to meet & greet our Austrian music representatives.
Until then - no sleep till Groningen! See you there!
