AUSTRIAN MUSIC EXPORT 2014 - THE YEAR IN REVIEW

2014 has been a good year for Austrian artists, who are slowly but surely gaining more and more international recognition. The Austrian music scene is currently as vibrant, diverse, and abundant as it gets. With an extensive feature on the Austrian music scene in a recent issue of the German music magazine Musikexpress, a growing number of artists are finding frequent mention in various media outlets such as the German Intro, or Der Spiegel.
